## MATERNAL HEALTH POLICY BRIEF

Join us for the **FIRST** Maternal Health Network (MHN) Town Hall, where we'll share key updates and engage in a meaningful discussion on maternal health policy currently shaping our community. Experts and policymakers will present a comprehensive policy brief, highlighting current and emerging legislation impacting San Bernardino County's birthing community. **Topics will include lactation, justice-impacted birthing people, paid family leave, maternal mortality, maternal mental health, and more.** Don't miss this opportunity to gain insight, advocate for change, and help shape the next MHN Strategic Plan!
