

Angel View Outreach offers a full range of FREE services and support for families raising children with disabilities. Services include:

- **TRIP:** Mileage reimbursement for medical appointments
- **Mini-Grant:** up to \$400 to help pay medical equipment, supplies, and services NOT covered by Medi-Cal, CCS, IRC or private insurance
- **Activity Scholarships:** up to \$100 per year to help children with disabilities participate in local programs that allow them to be active and play sports
- **Resources and Referrals:** help signing up for safety net services, community resources, finding a primary doctor and list of providers for the child's specific disability
- **Case Management:** those needing more in-depth services can work with a case manager on an ongoing basis who will help with managing doctor appointments, completing forms, budgeting, nutritional guidance, etc.
- **Support Group:** parent support groups, sibling support groups, resources groups, co-parenting groups, and more!
- **IEP Advocacy:** translation services with educators/counselors for your child's Individualized Education Program, class evaluation, IEP reviews, support, transportation changes

Angel View Outreach has funding for qualified candidates!

To qualify for our **mileage reimbursement for medical appointments (TRIP) or Mini-Grant**, the child:

- Must be under the age of 21
- Must have a physical or developmental disability

To qualify for **Family Stabilization-Case Management**, the child must be:

- Under the age of 21 with a disability
- Living in the home (all family members will be assisted-not just the child with the disability)
- Clients MUST be willing to follow up with a case manager
